*Critical Incident: means an incident in which a first responder (police officer, trooper, sheriff, deputy sheriff, detention officer, detective, federal agent, firefighter, fire investigator, fire inspector, emergency technician or paramedic) is directly involved in a shooting, in custody death or an incident where serious physical injury or death occurs (i.e. a driving incident).

** Cases submitted/reviewed may not match total number of callouts as the investigation is still pending by the investigating agency or the case was conflicted to another prosecuting agency.
